G-Dog is about second chances – about a charismatic visionary who launched the largest, most successful gang intervention and rehab program in the US, now an international model, Homeboy Industries. G-Dog tells the entertaining, hilarious, and unlikely story of how a white Jesuit priest became an expert in gang lives. His name is Father Greg Boyle (G-Dog to his homies) and he works by a powerful idea: “Nothing stops a bullet like a job.” G-Dog’s unstoppable compassion has transformed the lives of thousands of Latino, Asian, and African American gang members. His Homeboy Industries in Los Angeles, with a 70% success rate at redirecting kids away from gang life, is global in influence. It’s the one place in the hood that turns lives around: swapping violence for community and building toward a future of hope. CALL FOR CONFERENCE VOLUNTEERS

Are you interested in volunteering at Conference?

Volunteering is a great way to learn more about Conference operations, meet other dynamic occupational therapy practitioners and students, enhance your Conference experience, and have fun. There are many opportunities to contribute. You can volunteer at Conference and still participate in other activities. Volunteers play a vital role in the success of the West Coast’s largest occupational therapy professional development conference.

You can access the volunteer form at <https://www.conference.otaconline.org>.

Deadline to respond: September 6.

Important Notes

2019 Certificate Policy and PDU Credits

- **Individual Session Tickets.** When you check in at the Conference Registration Counter, you will receive a blue ticket imprinted with your name on it for every session and activity for which you are registered. The room monitor will collect the tickets as you enter every session and activity room. If the room monitor does not collect your ticket, please seek him/her out. These tickets are maintained at the OTAC office as verification of your attendance.
- **Certificate of Completion.** When you check in at the Conference Registration Counter, you will receive a Certificate of Completion form. Fill in the appropriate information for every session you attend. At the conclusion of your attendance at the Conference, submit the white copy of the Certificate of Completion form at the OTAC Conference Registration Counter. Keep the yellow copy for your own records. OTAC will keep an electronic version on file along with the blue tickets for each session as verification.
Sponsor: Stanbridge University
- **To earn a Certificate of Completion, attendance is required.** Please arrive on time to the sessions and don’t depart early. Your Certificate should reflect actual number of hours attended. Note: CBOT defines one PDU as one hour of instruction.
- **myotlicense.** PDUs for OTAC members and subscribers will be entered into your myotlicense record by December 13, 2019.
- **CBOT.** Select PDUs may be used for Advance Practice Approval as indicated. Check with the California Board for Occupational Therapy (CBOT) for details.
- **CHT.** Some sessions may be used to meet recertification requirements. Check with the Hand Therapy Certification Commission (HTCC) for details.
- **NBCOT.** Sessions may be used to meet recertification. Check with the National Board for Certification of Occupational Therapy (NBCOT) for details.

Conference PDUs for OT/OTA practitioners will be entered into your OTAC myotlicense records by December 13, 2019.

PRESIDENT'S MESSAGE

TRANSFORMING OT - FOR TODAY AND TOMORROW!

Welcome to the 43rd Annual Conference and Expo in the city that has become a familiar location for us – Pasadena! Over the past few years we have celebrated 40 years of OTAC and 100 years of the American Occupational Therapy Association and occupational therapy itself. Envisioning our future we then asked each one of you to be bold and to focus on building capacity on all levels – as an individual, in teams of practitioners, and for our practice at large. Next, we ask you to think of TRANSFORMATION!

Transformation refers to a significant shift in appearance or structure, a reconstruction, a reformation. Moving this profession and your place in it toward the goals you envision for yourself starts within. Anchoring ourselves with a sense of who we are and confidently applying such knowledge to becoming who we wish to be yields transformation. Being bold and building our own capacity to do great things yields change – yields transformation.

Please join us for a weekend filled with transformative energy. We have carefully constructed each day to highlight a keynote or feature presenter message. We welcome AOTA President Wendy Hildenbrand on Friday who will address a *New Day, New Way* approach to participating actively in the reconstruction of our professional relationships and the construction of this profession's future. On Saturday, we will have the benefit of welcoming Boris Jimenez from Homeboy Industries in Los Angeles. He, his wife, and other colleagues will address how individuals look within and to each other to find the strength for great personal transformation – the kind others thought impossible for some individuals. Wrapping it all up on Sunday, we will bring back personal trainer and lifestyle coach, Joseph Hawthorne, now the founder and lead visionary for Truth of Transformation, a lifestyle management approach designed to help individuals “live free forever.”

We are excited to bring you an array of keynote addresses as well as sessions all day long on transformation: of the self, of the individual with whom we engage, and of each other as well as the profession at large. Plan to come and spend some quality time expanding your sense of the power of occupation with additional perspectives of how it can be leveraged for long-lasting, powerful shifts in your life and that of those around you.

TRANSFORMING OT FOR TODAY AND TOMORROW

Throughout this Conference registration brochure you will see the Transforming OT for Today and Tomorrow logo highlighting those sessions either designed around this theme or those that reflect the theme at some level. As you participate in all that Conference offers, you may experience other sessions and activities that embody our vision to transform occupational therapy, our association, and ourselves in more evidence-based service to our clients. To that end, the vision of this Conference is to enrich you as a professional and inspire you as a person.

We welcome you to the conversation at #transformingOT.

CHAIR'S MESSAGE

Dear Occupational Therapy Practitioners, Educators, Students, Colleagues, and Friends,

On behalf of the Occupational Therapy Association of California (OTAC) and the 2019 Annual Conference & Expo Committee, we are excited to again invite you to join us for the 43rd Annual Conference in Pasadena, California. Last year we emphasized Building OT Capacity for our clients, our profession, our communities, and ourselves. This year we are taking the theme to the next level by focusing on Transforming OT for Today and Tomorrow. The definition of transformation involves words such as innovation, profound change, going in entirely new directions, and improving efficiency and effectiveness.

We invite you to start the Conference off by joining us for the Thursday Movie Night where we will enjoy popcorn while viewing the Homeboy Industries documentary. We will give away some fun items so be sure to join us for an inspirational evening.

Julie Kugel, OTD,
MOT, OTR/L

Wendy Hildenbrand, PhD, MPH, OTR/L (KS), FAOTA, our new AOTA president and Friday Keynote presenter, will help to kick off Conference as she talks about transforming occupational therapy from a national perspective. Hildenbrand is a clinical assistant professor at the University of Kansas Medical Center. Beyond her new role as AOTA president, she has served on the AOTA Representative Assembly in addition to many other national and state committees within our profession. Hildenbrand has focused her research interests on the intersection of public health, public administration, and occupational

therapy. We look forward to hearing her thoughts on the future of AOTA and the role transformation will play in healthcare.

Following the Friday Keynote you will want to take time to enjoy the Expo Grand Opening Reception. You will have the opportunity to explore companies, products, resources, and occupational therapy programs and educational opportunities. We will have a special opportunity for you to meet local authors and get a signed copy of their books. Don't forget to check out the poster sessions in the Expo on Saturday (11:30am–2:15pm).

On Saturday, our local Homeboy Industries is back again this year to inspire us and help us learn how they have transformed the lives of so many people who were involved in gangs giving them hope, purpose, and meaning. Boris Jimenez and team will share their personal stories of transformation. Following their presentation, Winifred Schultz-Krohn, PhD, OTR/L, BCP, FAOTA, will lead us through a dialogue to take the stories that have been shared and apply them to our practice and lives so that we may transform others. On Sunday morning, fitness success coach, Joseph Hawthorne, ACSM-CPT, RBT, AKC, returns to inspire and encourage with the Transforming from the Inside Out. You don't want to miss Sunday breakfast with Joseph or his workshop later that day. Joseph has become an expert on transformation and what it takes to push yourself out of your comfort zone towards true change.

We encourage you to attend Conference and leave with tools and inspiration to transform your practice as well as to transform your own being to be authentic in all of your roles. Be sure to go through the schedule and be intentional about choosing the sessions that will Transform You for Today and Tomorrow. We hope you will join us for a phenomenal Conference in a beautiful city; Pasadena is home to many cultural, art, and scientific institutions. Don't miss out on some great shopping and amazing restaurants in Old Town Pasadena! We look forward to seeing you there!

CFOT Awards Luncheon and Symposium

Friday, October 18, 2019 • 11:30am–1:00pm

About the Awards Luncheon and Symposium

Recipients of the 2019 CFOT scholarships, research grants, and awards will be announced at the annual CFOT Awards Luncheon and Symposium on Friday, October 18, 11:30am–1:00pm.

Honored Lecturer – Shawn Phipps, PhD, MS, OTR/L, FAOTA

Occupational Therapy and Neuroplasticity Following Traumatic Brain Injury: The CAPE Recovery Model

This year's Honored Lecturer, Shawn Phipps, PhD, MS, OTR/L, FAOTA, is currently the chief quality officer and associate hospital administrator at Rancho Los Amigos National Rehabilitation Center.

He will share the inspirational story of the challenges and triumphs of a patient who suffered a severe traumatic brain injury from a motor vehicle accident. The power of occupational therapy and neuroplasticity is described using the CAPE Recovery Model, which requires challenge, action, practice, and evaluation to build new pathways in the brain through the ordinary and extraordinary activities of daily life that support recovery so that individuals with traumatic brain injury and other disorders of the brain can live life to its fullest. You will experience laughter, tears, and joy as you hear the effect of occupational therapy and neuroplasticity in supporting recovery and beyond after a life changing injury to the brain.

The CFOT Honored Lecturer Award recognizes California occupational therapy practitioners who have demonstrated leadership and promoted ideas and visions in occupational therapy for the profession, and a presentation gives them an opportunity to share their insights and knowledge with the occupational therapy community at the CFOT Awards Luncheon and Symposium.

Shawn Phipps, PhD, MS, OTR/L, FAOTA

Humanitarian of the Year – Elyse Bordon

The CFOT Humanitarian Award recognizes individuals or groups who have demonstrated exceptional commitment to the philosophical principles of occupational therapy and engaged in significant humanitarian activities. These activities may include:

- Helping to enhance and maximize the potential of the recipients of occupational therapy services
- Encouraging and fostering individual responsibility and human dignity
- Improving health status and enhancing quality of life
- Providing a model for community service
- Creating a healthy society.

Elyse Bordon

This year, CFOT is presenting the Humanitarian of the Year Award to Elyse Bordon, in recognition of her dedication to fostering 140 at-risk babies who have been abandoned or exposed to drugs, as well as her previous roles as a general education and special education teacher.

Meritorious Service Award – Julie Shaperman, MSPH, OTR/L, FAOTA

The California Foundation for Occupational Therapy (CFOT) is honored and privileged to pay tribute to and present the Meritorious Service Award to Julie Shaperman, MSPH, OTR/L, FAOTA. After nearly 40 years of sustained commitment to the CFOT, Shaperman resigned from her position as vice president in November 2018. She has always been and always will be a profound leader in the CFOT. She has been the “rock,” the “pillar,” and the original inspiration for, and one of the founders, of the California Foundation for Occupational Therapy.

Julie Shaperman, MSPH, OTR/L, FAOTA

The CFOT Meritorious Service award is presented to an individual who has demonstrated exceptional service over five or more years as a current or past member of the CFOT Board and has made a major impact on advancing CFOT's mission and the profession in the present and into the future.

Lisa Deshaies invites you to help CFOT reach its fundraising goal.

CFOT SILENT AUCTION-SUPPORT SCHOLARSHIPS AND GRANTS

The CFOT booth at the OTAC Expo will be buzzing with activity. Your support is encouraged and appreciated both as bidders and donors of auction items. CFOT annually awards thousands of dollars for scholarships and research grants. Help CFOT meet, and exceed, its goal.

Donations of auction items valued at \$25 or greater are needed. Please contact CFOT by email at silentauction@cfot.org.

Pat Nagaishi, PhD, OTR/L, CFOT President

STUDENT TRACK

Supporting Our Future Leaders

For many years, OTAC has offered student members a deep discount on registration fees for Annual Conference as a component of the OTAC Board of Directors' goal to support the future leaders of the profession and the Association. The Annual Conference affords students an opportunity to network with other students from around the state, network with practitioners for mentorship opportunities, learn about clinical applications outside of the school and fieldwork settings, meet with employment recruiters in the Expo, and be energized and excited about their profession and the Association. The Student Track selections are a collaboration of the OTAC Student Leadership Committee, which includes the Committee's Student Delegates (two students from each OT/OTA program), and the OTAC Conference Committee.

Students are also encouraged to attend Pre-Conference Institute sessions on Thursday. While there isn't a discount, these sessions often offer unique content as well as exposure to alternative and emerging practice methods, and a discounted rate for members.

AGENDA: THURSDAY, OCTOBER 17 • PRE-CONFERENCE INSTITUTE

Thursday, October 17, 2019

8:00am–9:30am and Noon–2:00pm

Registration Hours

These times are just for those attending the Thursday Pre-conference Institute at the Hilton Pasadena.

Note: Be sure to turn in your Certificate of Completion at the Registration Counter if you will not be attending any other Conference sessions.

9:00am–12:00pm

10 Getting Comfortable With Feeding — You Can Do It (3 PDUs)

Judith Freeman, MA, OTR/L

Knowledge of sensory processing, anatomy, physiology, and normal development will equip you to provide therapy for pediatric feeding issues. This presentation will provide assessment and treatment strategies that apply to children who are swallow safe.

9:00am–12:00pm

11 Mental Health Toolkit for a Skilled Nursing Facility (3 PDUs)

Gina Tucker-Roghi, OTD, OTR/L; Cecelia Ly-Peh, OTS; Jan Martha Conducto, OTS; Natalie Barrales, OTS

This session will be an exploration of evidence-based occupational therapy (OT) interventions for residents with serious mental illness who live in skilled nursing facilities (SNFs). A toolkit of assessments and interventions will be presented to enhance OT practice in SNFs.

9:00am–12:00pm

12 Understanding the Mind-Body Connection in Trauma and Seizures (3 PDUs)

Don Gordon, PhD, OTR/L

This topic deals with complex diagnoses at the interface between neurology and psychiatry. This includes knowledge related to epilepsy, non-epileptic seizures, and traumatic events and how they can influence both mental and physical health.

9:00am–4:00pm

13 Tapping into the Entrepreneur Within You (6 PDUs)

Brandon Seigel, CRP

Entrepreneurship is a vehicle for transformation and often referred to as the "American Dream!" Occupational therapy is a vehicle for transformation within the human condition in mind, body, and spirit. This workshop is the intersection of these three human facets.

1:00pm–2:00pm

14 Supporting and Enhancing NICU Sensory Experiences (SENSE) (1 PDU)

Bobbi Pineda, PhD, OTR/L, CNT

This presentation will discuss the structured sensory-based guideline for preterm infants in the neonatal intensive care unit (NICU) as well as implementation strategies that include early parent empowerment, modifying the intervention based on infant needs, and timing appropriate interventions.

1:00pm–4:00pm

15 Understanding Patient-Driven Payment Model (3 PDUs)

Sabrena McCarley, MBA-SL, OTR/L, CLIPP, RAC-CT

As skilled nursing facilities transitioned October 1, 2019 from Prospective Payment System (PPS) to the new Patient-Driven Payment Model (PDPM), it is important that practitioners understand the differences between the two payment models and how the interdisciplinary team needs to work together towards patient-centered care. This session will provide an in-depth review of PDPM as well as best practices for practitioners.

Thursday – Special Activities

8:00am–9:30am and Noon–2:00pm

Registration Hours

These times are just for those attending the Thursday Pre-conference Institute.

6:00pm–8:00pm

Registration Pick-up

Anyone who has registered in advance is welcomed to pick up their registration packet. If you are checking into the Hilton Pasadena on Thursday or if you live in the area and are stopping by to pick up your registration packet (you must have registered in advance), be sure to stay for the Thursday Movie Night. Popcorn provided.

6:30pm–8:00pm

A Movie Night: G-Dog (.5 PDU)

G-Dog is about second chances – about a charismatic visionary who launched the largest, most successful gang intervention and rehab program in the US, now an international model, Homeboy Industries. G-Dog tells the entertaining, hilarious, and unlikely story of how a white Jesuit priest became an expert in gang lives. His name is Father Greg Boyle (G-Dog to his homies) and he works by a powerful idea: "Nothing stops a bullet like a job." G-Dog's unstoppable compassion has transformed the lives of thousands of Latino, Asian, and African American gang members. His Homeboy Industries in Los Angeles, with a 70% success rate at redirecting kids away from gang life, is global in influence. It's the one place in the 'hood that turns lives around: swapping violence for community and building toward a future of hope. CineDigm® **This movie is not rated (NR) but we advise there is strong language. Attend at your discretion.**

Moderator: Julie Kugel, OTD, MOT, OTR/L

Hosted popcorn and giveaways. Some lucky Movie Night attendees will receive copies of the book or the movie.

1:00pm–4:00pm

16 Building Skills to Engage People Living with Dementia (3 PDUs)

Jenna Mele, OTD, OTR/L, CCM, RYT, PAC

Many geriatric clients live with dementia symptoms. We will build and refine skills from the Positive Approach to Care. Participants will practice positive physical approach and learn how to use hand under hand during activities of daily living.

2:15pm–3:15pm

17 Pacifier Use in Newborns (1 PDU)

Bobbi Pineda, PhD, OTR/L, CNT; Jenny Kwon, OTS; Margaux Collins, OTS

This presentation will discuss the benefits and challenges related to pacifier use as well as discuss a study that defined social factors related to pacifier use and whether pacifier use is related to altered early feeding performance.

3:30pm–4:30pm

18 Tool Development of the Neonatal Eating Outcome Assessment (1 PDU)

Bobbi Pineda, PhD, OTR/L, CNT

This presentation will discuss the process of tool development and the psychometric investigations that informed different stages of revisions for the Neonatal Eating Outcome Assessment and report inter-rater reliability and current validity.

All sessions on Thursday are open to students at the publicized rate.

53 Developing a Protocol for Managing Surgical Lymphedema Patients (1.5 PDU)

Karen Crum, OTD, OTR/L, CLT; Kristin Nxumalo, OTD, OTR/L, CLT

Given the advancements in surgical intervention for patients with lymphedema, occupational therapy practitioners as part of the multidisciplinary team developed a pre- and post-operative combined decongestive therapy protocol to optimize patient outcomes following lymphatic surgical intervention. Come learn how to utilize this therapy in your practice.

8:15am–9:45am

54 School-Based OT Telehealth: Practical Application (1.5 PDU)

Robin Schlundt Bodien, MA, OTR/L

Curious about how to apply your school-based OT skills using telehealth? Learn to formulate a treatment plan appropriate for telehealth services and experiment with activities and online resources to address a variety of individualized education program goals.

8:15am–9:45am

55 The Credentialing Initiative and Management in School-Based Practice (1.5 PDU)

Lisa Test, OTD, OTR/L; Julie Bissell, OTD, OTR/L, ATP; Ivan Altamura, JD, Capitol Advocacy Lobbyist

This dynamic and interactive workshop will provide tools and strategies for practitioners to navigate the educational system including workload. We will address the common challenges in school-based practice and provide guidance and resources on how to best address these challenges. The workshop will also provide an update on the "Credentialing Initiative" and what this means for the profession of occupational therapy in the educational system.

8:15am–9:45am

56 Helping Patients Navigate the Healthcare System (1.5 PDU)

Gabrielle Granados, OTR/L; Tabitha Lin, OTS; Elissa Lee, OTS

Clients with chronic conditions from lower socioeconomic backgrounds often have lower health literacy and patient activation, contributing to poor healthcare navigation. This presentation will outline evidence supporting occupational therapy in healthcare navigation and a Lifestyle Redesign® approach to interventions. **Open to students.**

8:15am–11:30am

57 Conservative Management for Thumb CMC Osteoarthritis (3 PDU)

Adrienne Tesarek, OTR/L, CHT; Elyse Borst, COTA/L; Jennifer Kim, OTR/L; Rebecca Grantham, OTR/L; Julie To, OTR/L, CHT

Thumb carpometacarpal (CMC) osteoarthritis affects occupational therapy practitioners and practitioners' patients. This lecture and hands-on lab experience will provide attendees with evidence-based information to treat this condition using a variety of intervention methods. **Open to students.**

8:15am–11:30am

58 Population Health: What's all the Buzz? (3 PDU)

Wendy C. Hildenbrand, PhD, MPH, OTR/L (KS), FAOTA

"Population health" is in the forefront of healthcare reform and health and human service system improvement efforts focused on supporting health and well-being. AOTA's Vision 2025 embraces this movement with recognition of our expanded scope of impact serving "all people, populations, and communities" in support of meaningful everyday living. The other side of the conversation – What is population health? How does occupational therapy align with population health? Is population health the latest "buzzword" or is it here to stay? Let's think this through! **Open to students.**

8:15am–11:30am

59 Catching Your Breath: OT's Role in Progressive Lung Disease (3 PDU)

Jamieson Wilcox, OTD, OTR/L; Jodie Murakami, OTD, OTR/L

Patients suffering from progressive pulmonary conditions face both physical and psychological symptomatic burdens that lead to significant functional loss. A review of current evidence-based practice for patients with advanced lung disease across the care continuum will be conducted.

8:15am–11:30am

60 Applying a Systems View to School Practice (3 PDU)

Winifred Schultz-Krohn, PhD, OTR/L, BCP, FAOTA; Asha Asher, MA, OTR/L, SCSS, FAOTA; Joyce Rioux, EdD, OTR/L, SCSS; Gloria Frolek Clark, PhD, OTR/L, SCSS, BCP, FAOTA

This advanced workshop is grounded in educational laws and regulations to foster program evaluation and improvement in educational settings. A design thinking model will be used during a small group activity to address specific challenges.

10:00am–11:30am

61 State Legislative and Regulatory Updates (1.5 PDU)

This session will describe the methods and outcomes of an innovative pedagogical design where experts by experience (consumers with lived experience of mental illness) support occupational therapy students to learn about mental health service contexts and recovery. **Open to students.**

AGENDA: SATURDAY, OCTOBER 19

2:30pm–5:30pm

- 77 Queering and Crippling Sex: Sexuality as an ADL (3 PDUs)**
Joseph Christian Ungco, OTD, OTR/L; Karrie Kingsley, OTD, OTR/L; Elizabeth Schmidt, MOT, OTR/L
Persons with disabilities have the same interest and right to their sexual identities as everyone else. This workshop aims to improve practitioner competence in effectively and respectfully addressing LGBTQ identity, disability, and sexuality in practice.

2:30pm–5:30pm

- 78 Student Engagement: Designing Meaningful Intervention (3 PDUs)**
Jean Pacifico-Banta, OTD, OTR/L; Lisa Test, OTD, OTR/L
This dynamic hands-on workshop will challenge school-based practitioners to use universal design and Universal Design for Learning to guide intervention planning and promote self-determination. **Open to students.**

2:30pm–5:30pm

- 79 Scaffolding Family Participation in Pediatric Feeding Interventions (3 PDUs)**
Jennifer Jones, OTD, OTR/L, BCP; Sonia Trejo, MA, OTR/L
This presentation will discuss feeding intervention models focusing on embedding parents within the treatment approach and providing interactive activities that can be used in practice in order to support parents' participation in feeding intervention.

2:30pm–5:30pm – STUDENT TRACK – NO PDUs

- 80 Section 1: The First Step for Adherence: Imaging an Action**
Shanpin Fanchiang, PhD, OTR/L; Sylvia Shaw, MD, FACE
The ETAC (Empowered-To-Act Consistently) communication method is proposed for clinical encounters. It can help probe for barriers that will compromise adherence. Through the process, clinicians will gain insight into a patient's perspective to facilitate adherence.

Section 2: SCUBA Diving from an Occupational Science Perspective

Naomi Achondo, OTD, OTR/L; Sara Zevalkink, MOT; Rachel Avila, MOT

In this presentation attendees will explore the WAVES Project, Inc., which interviewed veterans regarding the form, function, and meaning of SCUBA and how it assisted with community reintegration. SCUBA was analyzed as an occupation and as a therapeutic tool.

Section 3: USC Wellness Dog: Impact on Student Mental Health

Alisa Kim, OTD, OTR/L; Amanda Vanni, MPH, CHES

A "pawpular" professor is in town. Professor Beauregard Tirebiter is the nation's first full-time facility dog at a university. This session will feature this 'pawpular' professor's collaboration with an OTD resident to understand his impact at USC through an occupational lens.

3:30pm–4:30pm

- 81 Facilitating Support Groups in a Primary Care Setting (1 PDU)**
Dragana Krpalek, PhD, OTR/L

Rancho's Occupational Therapy Vocational Services offers a variety of evaluation and program options for patients with the goal of returning to work. The Rancho Works Café & Gift Shop was established five years ago to provide a real work venue for participants to hone their work skills in a supported environment. Participants recovering from stroke, spinal injury, brain injury, and other rehabilitation conditions engage in the production of handcrafted items that are for sale in the Gift Shop or participate in food preparation, cashiering, bookkeeping, inventory, and customer service in the Café to increase their skills and confidence to return to work in the community.

11:00am–12:30pm

111 Addressing Falls in an Acute Inpatient Oncology Hospital (1.5 PDU)

Carnie Lewis, MA, OTR/L; Stacey Morikawa, OTD, OTR/L, CLT; Yasi Amanat, OTD, OTR/L, CLT

Occupational therapy can address falls within treatment sessions and outside of direct patient care by utilizing evidence-based practices and our profession's distinct lens to analyze factors that contribute to falls.

12:30pm–1:15pm

OT Practice Café/Lunch – \$18

Come grab a "picnic" lunch and sit at your OT hot topic table of choice. Advance purchase lunch and be eligible to win \$50 in gift cards.

1:30pm–2:30pm

120 Promoting Professional Diversity through Undergraduate Outreach (1 PDU)

Kristy Payne, OTD, OTR/L

Supporting diversity in the occupational therapy profession begins with examining how clinicians initially discover the field. Participants will explore the impact of undergraduate education on disseminating knowledge of occupational therapy to a diverse student population.

1:30pm–3:00pm

121 Accessing Gaming for Improved Client Outcomes (1.5 PDU)

Douglas Rakoski, OTD, OTR/L, ATP

Common gaming platforms have the power to add value to therapeutic interventions. Evaluating gaming technologies is a matter of applying occupational analysis. Attendees new to this area of therapy will learn a systematic way of incorporating gaming technologies into their practice.

1:30pm–4:30pm

122 Heal Thyself: Disability, Pain, Cognitive Flexibility, and Hope (3 PDU)

Aaron Picus, OTD, OTR/L

Drawing upon the presenter's personal experience, participants will learn ways to support clients facing chronic pain, inflammatory health conditions, and invisible disabilities, focusing on cognitive-behavioral therapies, positioning and activity modifications, and therapeutic use of self.

1:30pm–4:30pm

123 Guidelines for Supervision, Documentation, and Ethical Practice (3 PDU)

Bryant Edwards, OTD, MA, OTR/L, BCP, MPH; Katie Jordan, OTD, OTR/L

This session will provide foundational knowledge to support occupational therapy practitioners in any setting. Presenters will focus on legislative updates, regulatory changes, and problem solving on issues of supervision, documentation, and ethical practice.

1:30pm–4:30pm

124 Sexuality in Oncology: Establishing Clinical Practice and Programming (3 PDU)

Lynn Kim, OTD, OTR/L; Vanessa Yanez, MSOT, OTR/L; Sherry Hite, MOT, OTR/L

This workshop will delineate an evidence-based approach to assessment and treatment of physical and psychosocial aspects of sexual dysfunction in oncology. Hands-on opportunities will be provided to practice assessments and view recommended devices and moisturizers.

1:30pm–4:30pm

125 Movin' and Groovin': A Community-Based Dance Program for Older Adults (3 PDU)

Cynthia McCullough, OTS; Danielle Gies, OTS; Joi Willis, OTS

Attendees will participate in an all-abilities dance workout developed by a team of occupational therapy students. They will learn how to partner with public libraries for community occupational therapy, and simple choreography designed to improve health for older adults living in low socio-economic situations.

1:30pm–4:30pm

126 Harm Reduction and Hoarding: A Trauma Informed Approach (3 PDU)

Erin McIntyre, OTD, OTR/L; Ryan Kohl, OTS; Justin Faling, MSW

The session will introduce a trauma-informed, harm-reduction approach to navigate mandatory clear-outs for people experiencing hoarding disorder. A collaborative case example from a Level II fieldwork student and case manager will be discussed.

1:30pm–4:30pm

127 Promoting Positive Sensory Experiences in the NICU and Beyond (3 PDU)

Shawna Townsend, OTD, OTR/L, CNT; Joyce Jung, MA, OTR/L

This discussion will assist occupational therapy practitioners in various practice settings to understand neurodevelopmental care in the neonatal intensive care unit (NICU) and how to implement evidence-based sensory strategies for optimal future outcomes.

1:30pm–4:30pm

128 Reinvigorating Rehab with the OT Whole Person Perspective (3 PDU)

Lorelei Woerner, OTR/L, C-IAYT, E-RYT500

In this presentation, participants will refresh their holistic, biopsychosocialspiritual foundations as occupational therapy practitioners and re-invigorate their "phys dys" practice with this view. Participants will also explore mind-body concepts, far-reaching effects of breath, gut-brain, habit formation, and the driver: meaning and purpose.

2:30pm–3:30pm

129 Occupational Therapy Consultations for the Graduate Student Population (1 PDU)

Kelcie Kadowaki, OTD, OTR/L

This session will explore barriers, supports, interventions, and marketing strategies to increase the visibility and accessibility of occupational therapy services for the graduate student population through an on-campus primary care consultation model.

3:30pm–4:30pm

130 OTD Residency: Developing an Evidenced-Based Clinical Apprenticeship (1 PDU)

Julie Werner, PhD, OTR/L, CHT; Jamie Sakamoto, MA, OT/L, CLEC; Kendra King, MA, OTR/L, CBIS; Rani Waterman, OTD, OTR/L, AMPS

This presentation will feature how clinical residencies aiming to foster analytical thinking, critical synthesis of evidence, and best practices implementation in evolving treatment environments can benefit from cognitive science, learning theory, and expertise studies to inform program development.

All sessions on Sunday are open to students.

CONFERENCE ATTENDEE AGREEMENTS/DISCLAIMERS

Attention

By registering for or attending any event or activity associated with the Occupational Therapy Association of California's (OTAC) 2019 Annual Conference & Expo, I agree to the following:

Professional Development/Information Disclaimer

OTAC's 2019 Annual Conference & Expo is sponsored by the Occupational Therapy Association of California for professional development, networking, and OTAC business purposes. The material presented is not intended to represent the only or the best methods appropriate for the occupational therapy and/or medical condition or professional development issues being discussed, but rather is intended to present the opinions of the presenters, which may be helpful to other health care professionals at arriving at their own conclusions and consequent application. Attendees participating in this professional development education program do so with full knowledge that they waive any claim they may have against OTAC and its staff or representatives for reliance on any information presented during these educational activities.

Public Relations Agreement

Registration and attendance at, or participation in, OTAC meetings and other activities constitutes an agreement by the registrant for OTAC's use and distribution (both now and in the future) of the registrant's or attendee's image or voice in photographs, videotapes, electronic/print reproductions, and audio tapes of such events and activities.

Waiver of Liability Agreement

I release the Occupational Therapy Association of California, its staff, elected and appointed officials, presenters, and any other individuals or entities associated with OTAC's 2019 Annual Conference & Expo from any and all liability connected with my participation, as well as from any liability related to changes to the schedule, events, or activities. I acknowledge and agree that I am participating of my own choice and assume all risk in connection thereof, and that in the event that a need for emergency medical service arises, I authorize and consent to such services being provided at my own expense.

WORKPLACE COLLEAGUE DISCOUNT

Don't get enough time to visit with those in your workplace? Want a way to save money together? You can travel together and room together, you can also save on registration together. All individual registration forms, full payment, and membership applications (if applicable) must be submitted together by October 4, 2019.

Discount policies

- Three or more OTAC members from the same **physical** workplace address can receive a 10% discount when pre-registering for conference together. Minimum of three registrants required.
- You cannot register online to receive this discount. Registration forms must be **submitted together** by fax, email attachment, or by mail.
- Discount available to OTAC members only; however, a nonmember can submit a membership application along with the registration forms to qualify for discount.
- This is a pre-registration special only. Special ends October 4, 2019.
- Discount applies only to the Registration Fee for Friday, Saturday and/or Sunday. Discount does not apply to any other fees including presenter/material fees/costs, special event fees including meals, and pre-conference institutes.
- No refunds given if number of colleagues registered together drops below three; however, new workplace colleagues may be substituted for previous registrants at any time (OTAC membership required).
- Student members already receive a discounted rate and do not qualify for this discount.
- Conference registrants receiving any other registration discount do not qualify for this discount.

THE MANY FACES OF PAST CONFERENCES

WHY ATTEND CONFERENCE?

Here's what your colleagues said about their past experiences – why they attended and/or what they liked best.

A great opportunity to be involved

The hands-on experience

The topics

My employer invited me to attend and paid for my registration

It was affordable

The variety of sessions

To practice my networking skills

To earn PDUs all in one place

Weekend availability

It is a friendly environment

Conference was well organized

Greatly informed and energetic presenters

I always attend

Attended for my own well-being

It is the thing to do

Wanted to check out the exhibits

Supporting advocacy efforts

Wanted to attend sessions outside of my practice area

So inspiring

Catching up with old friends I hadn't seen in a while

Wanted to expand knowledge in my own field

I had never attended a state conference

Wanted to build new skills

Quality of the sessions was really good

Always appreciate the opportunity to grow and thrive together

Brought my daughter who is a new OT

It is a tradition for me

Helps me keep up to date on regulations

Professional camaraderie

I attended before and enjoyed it

Liked the varying time durations of presentations

Posters presentations were great
